“The true meaning of life is to plant trees, under whose shade you do not expect to sit.” –Nelson Henderson

Dear Friends,

With your help, Friends of University of Wisconsin Hospital and Clinics is building a legacy of caring, service and compassion for patients and families of UW Hospital and Clinics and American Family Children's Hospital.

By making a gift to Friends, you will become a member and join our efforts to fund programs and services that directly benefit patients and their families.

Please use the enclosed envelope or visit friendsofuwhc.org to become a member of Friends today. As a member, you will receive early invitations to Friends activities and a 25% discount in the UW Hospital and American Family Children's Hospital gift shops.

Thank you for the difference you continue to make!

Susan Pierce Jacobsen
President, 2008-2010, Friends of UW Hospital and Clinics

Purchase your 2010 Kids Art Calendar!

Produced by Friends, the second annual calendar includes 12 beautiful pieces of children's art created by patients of American Family Children's Hospital and their siblings. The calendar sells for \$14.99 plus tax and is available at both hospital gift shops and online at friendsofuwhc.org. Every dollar of proceeds will support patient and family needs at American Family Children's Hospital.

Kids Art Calendar Project

Using art submitted by patients of American Family Children's Hospital and their siblings, Friends produced the first Kids Art Calendar. The sale proceeds of \$9,000 went to support the patient and family fund of American Family Children's Hospital.

A Round Fore Friends Golf Outing

Friends' first annual golf outing was held in July at Bishops Bay Country Club. The event raised \$10,000 to support the Friends Grants Fund.

Calendar artist Terrell Washington creates his masterpiece at an art party held at American Family Children's Hospital.

Gifts and Grants

In 2009, Friends funded thirteen grant requests and continued support of the Derzon Endowment for Patient Assistance; the Wigs for Patient Program; an Artist in Residence Program, providing art therapy services to rehabilitation patients; activity monitors for lung cancer patients; and an ambulation trace for patients in the Burn Unit. Total giving topped \$138,000. The photos at left and below show more examples of programs and projects receiving grants from Friends.

Financial Information

For Friends' 2008-2009 financial information, please visit friendsofuwhc.org.

A special recliner was purchased for the Mohs Surgery Clinic to help aid recovery and healing for patients after surgical procedures.

An exercise bike was purchased for patients recovering in the Bone Marrow Transplant and Hematology Unit.

A grant to Radiation Oncology was used to fund the Serenity in Scanning program. This program enhances the PET Scan experience and reduces the stress felt by cancer patients.
